February 15th Spring Show Costume Payment Deadline

How to order Costumes:

Check the poster that correlates to your child's class to see the price of costume pieces. Note that many are repeating such as tights and many are 2 in 1 so that they can be for more than one dance. Choose the dance or dances you want your student to participate in. This is entirely your choice, as we understand participation in all available dances can be pricey. With that in mind, though, we have done everything possible to make everything cost effective.
